Town of Concord Begins Planning for the Future

A public information meeting to discuss the Town of Concord Comprehensive Plan Update is scheduled for -

Wednesday June 28th - 6:00 P.M in the Concord Town Hall

The purpose of this informational meeting is to provide local residents and stakeholders the opportunity to express their views on land use and zoning, community character, growth and development, agricultural preservation, recreational needs, economic vitality, community services and other issues and concerns in the community. The Town is interested in updating the comprehensive plan to help guide future growth and improve the overall quality of life, provide better economic opportunities, evaluate opportunities for other community improvements. A Comprehensive Plan is one of the most important tools that a community can use to establish a vision for the future and set effective goals and objectives for achieving that vision.

The Town has hired Wendel an architecture, engineering and planning firm, to assist with the preparation of the Comprehensive Plan. Representatives will provide a brief presentation and moderate open discussion to gather input from the public. Residents and other interested parties are encouraged to come out and offer your thoughts on what is important for the future of the community. Doors will open at 6:00PM, with the formal meeting starting at 7:00PM.
